FOR IMMEDIATE RELEASE:
TEMPORARY STREET CLOSURE

Siskiyou County Superior Court would like to notify the public of the temporary closure of Fourth Street between Butte and South Streets in Yreka beginning shortly after February 4, 2019. The street closure is necessary for McCarthy Building Companies to begin assembling equipment for the construction of the new Siskiyou County Courthouse, and will remain in effect until the project is completed. Opening of the new courthouse is expected in December of 2020.

The new Siskiyou County Courthouse will be located at 411 Fourth Street, right next to the Siskiyou County Sheriff's Office. The new courthouse will include five courtrooms in over 60,000 square feet. It will replace the Court's existing space in the current county-owned facility. It will include appropriately sized jury deliberation rooms, a jury assembly room, a self-help center, attorney/client conference rooms, enhanced security features and accessibility for persons with disabilities.

The new courthouse will provide for a modern, full-service, secure facility with court services consolidated under one roof, providing better access to justice for all Siskiyou County residents.
